

# TOWNSHIP OF DOURO-DUMMER BUILDING, PLANNING, ECONOMIC DEVELOPMENT SERVICE REVIEW

---

Township of Douro-Dummer through its contractor Triton Engineering has started its [Building and Planning Service Review](#). The project also assesses economic development services.

The study is in the information gathering stage, compiling [questionnaires](#) and interviewing key stakeholders. As the project moves into the consultation stage, an open forum will be hosted by Senior Triton Engineering Staff.

The Open Forum to gather public feedback with Triton Engineering will be held on **Thursday, May 7, 2026, at 6:00 p.m.** in the Council Chambers 894 South Street, Warsaw, Ontario, K0L 3A0.

The Open Forum will include a short presentation by Triton Engineering Senior Staff, and a chance for attendees to provide feedback and ask questions.

The Open Forum is to supply information to the public and identify constructive prospects for Triton Engineering to investigate as part of the Study.

If you cannot attend in person, please email your comments directly to Triton Engineering by clicking on the email link at the bottom of the [Service Review Webpage](#).
